Myrtaly Congress was issued in May of 2019 in Ioannina city Greece. She is the creation of three executives with decades of experience in congress organizing, financial management, communication and public relations. Our philosophy is to provide a high level of service, focusing on the customer and aiming to serve his needs, in a way that exceeds his expectations.

Every conference, every kind of event, is for **Myrtaly Congress** and its specialized partners, a unique experience, which is designed based on the needs of its organizers and the participants.

In addition, the charismatic place in which we operate, Ioannina, and its vicinity, provide us with a unique opportunity to design vacation packages, adapted to the requirements of the new era.
